*40 Years of Caring*

2021 CORPORATE  
SPONSORSHIPS

*A message from Kilty Brown,  
Executive Director for Central  
Wyoming Hospice and  
Transitions*

Thank you for considering a partnership with Central Wyoming Hospice and Transitions through sponsoring our special events. Your sponsorship support helps fund vital services for those experiencing life-limiting illnesses in your community. Just by showing up to play a round of golf or dance the polka, you are making a big difference in the lives of others. Your sponsorship helps family caregivers feel supported, so they can focus on enjoying time with their loved one. Your support sends a child struggling with loss to Grief Camp, where they can learn to express their sorrow in healing ways. Your partnership funds the purchase of medication to provide comfort and relief of symptoms to our patients. Your sponsorship provides your organization a meaningful way to make a difference in your community.

We would love to partner with you!

*Thank you for believing in our mission; To  
companion the end-of-life journey with skill and  
compassion*

# 40<sup>th</sup> ANNIVERSARY

## Central Wyoming Hospice & Transitions

---

In 1981, a handful of caring volunteers saw a need in their community. They witnessed cancer patients dying without the help they needed in their final days. They saw grieving families in need of love, comfort, and support. Their compassion moved them to action, and Central Wyoming Hospice Program was born.

As we celebrate our 40th Anniversary, we acknowledge our donors' and volunteers' support, which has expanded hospice services to encompass care for anyone struggling with a life-limiting illness. Through your gifts, grief support services are available to anyone in your community dealing with loss. Because of you, Transitions services are available to vulnerable community members who need a helping hand to remain in their own homes.

We celebrate the care and compassion that your community continues to exhibit each day. Thank you for helping to ensure that Central Wyoming Hospice and Transitions will continue Our Caring Promise to be here when needed.
